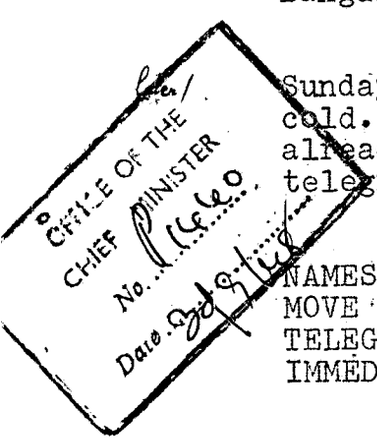
Air Mail

My dear Reddy,

I am sending this letter to C/o. The Premier of Madras in the hope that you are still there. In any case, I expect the letter will be duly forwarded to your Bangalore address.



Dr. Bhatnagar was anxious to meet you again on Sunday but had to give up the idea as he developed a bad cold. He was anxious to meet you yesterday but you had already left for Madras. I have this day sent you a telegram, the text of which runs as follows :-

"GOVERNMENT REQUIRE SPECIFIC INFORMATION REGARDING NAMES OF BUILDINGS AND SPACE AVAILABLE STOP KINDLY MOVE PALACE TO HELP STOP PLEASE INVITE DR BHATNAGAR TELEGRAPHICALLY INDICATING EARLIEST CONVENIENT DATE STOP IMMEDIATE ACTION NEEDED"

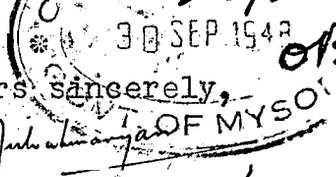
The Central Government are rather anxious that there should be a specific offer of some buildings together with the information regarding the available space. You have kindly offered us the best possible facilities, but it might well happen that the available facilities may not be sufficient. If the State could kindly help by requisitioning a building of a suitable type, it will then go a long way towards meeting our requirements. In this direction, I have a feeling that the palace could greatly help by making a generous and helpful gesture. They have left the entire matter in your hands, so, I expect that any further approach will have to go through you. As you have been so keen and helpful, I have no doubt, you will do your best to make their required type of building available.

You had kindly suggested Sir Bhatnagar visiting Mysore sometime towards the end of this month. As he is likely to leave for England early in October, I think it would be very helpful if he could visit the State at the earliest possible date and a decision is reached on the spot. Dr. Bhatnagar suggested that if during the next Dashehra an announcement regarding the gift of a substantial building to the Nation for finding of the Food Technological Institute could be made, it will be a very generous gesture which will be greatly appreciated not only within the State but throughout the country. I also feel that the Dashehra will be an appropriate occasion for the announcement. It would also be greatly appreciated by the public as an indication of the progressive policy of the Popular Government.

I am hoping, therefore, that it will be possible for you to kindly take the necessary early action and to invite Dr. Bhatnagar telegraphically indicating the probable date when you or some other senior representative of the Govt. will be taking him down.

With greetings and best regards,

Yours sincerely,



M. Subrahmanyan

K. Chengalroya Reddy Esq.,
C/o. The Premier of Madras,
Madras.

Government of Mysore have decided to offer all facilities for the location of Technological Institute at Mysore. Two alternate buildings have been provisionally decided upon with fairly large grounds for future expansion. Request your presence for making a final selection. Pandit Jawaharlal Nehru has also been addressed in this connection. Please send telegram advising date of your coming
